THE JOURNEY OF

Mintah
ADU-PARKOH
////////////////////

Mr. Mintah Adu-Parkoh was born to the Late Nana Kofi Ahenkora II, former chief of OfoaseAsante Akyim and Obaapanyin Abena Afriyie on November 11, 1963, in Ofoase, Asante Akyem.

He spent his early years in Ofoase, being baptized into the Presbyterian church at Ofoase, where he remained a distant member till his passing.

His educational journey began at Ofoase Presby Primary School, completing his basic education at Ofoase L. A. Middle School. He continued to Konongo Odumase Secondary School as a science student where he obtained his "O" and "A" level certificates.

He furthered at University of Cape Coast, graduating with honours in Chemistry.

Teaching DAYS

His working career started out as a chemistry teacher at Techiman Secondary School, taking up positions such as housemaster, entertainment master, quiz master (which earned him the nickname "Sorry", as he had a habit of asking students to repeat answers), and eventually as head of science department.

His dedication and immense contribution to the field of education was rewarded in the year 2000 when he was crowned as overall best science teacher in Brong Ahafo region.

"Sorry", in action!!

Photography. music and sports

He had great love for photography, joined several fitness groups and never missed an opportunity to give a speech or a piece of advice.

He loved music and the outdoors and always found a way to actively engage himself in such.

COCOBOD YEARS

Mr. Adu-Parkoh Mintah was employed into the service of COCOBOD through Quality Control Company Limited on 15th February, 2001 as a Quality Control Officer.

He made an impact on every project not only on the outcomes but also on the hearts of people he came into contact with. This made him rise through the ranks of the Company until he retired as a Deputy Quality Control Manager.

He was affectionately called "Onaapo" by colleagues at Kaase Inland port because of his love for a popular political song.

His wonderful work ethic earned him various accolades including a citation presented by the company.

Baptised into the Presbyterian Church at an early age, he remained an active member occupying positions such as senior presbytership and choir patronship at various districts. He was instrumental in establishing a local Presbyterian Church at Abesim-Dominase, Sunyani. His love for mankind was only superseded by that for God. The Holy Bible and Presbyterian Hymn Book were his favorite books.

His love for
GOD

Family MAN

He was an embodiment of a man, a perfect gentleman and the truest definition of a father.

All his life decisions were those of family first.

He sacrificed personal progress for that of his children.

He was not just a father, but also a mentor and role model, teaching his children the importance of integrity, hard work, and kindness.

A widow's tale

I met my dear husband, Mintah Adu-Parkoh in 1984 at Ofoase, Asante-Akyem. It was a life of humble beginnings. He furthered his education at UCC and we had our first children (the Ellens) during this period.

After completing his university education, he started his first teaching job at Techiman Secondary School. He was alone in Techiman for a year before I joined him with our three children (Ellens and Afrijie).

He was a man of great vision and faith.

He was hardworking, loving, industrious and always put his family first.

In 2001, he joined QCCL - COCOBOD resulting in us moving to Sunyani, now with four children (Ellens, Afrijie and Louis).

A widow's tale

We eventually relocated to Kumasi in 2010 where we have remained till date. He retired from active service in February 2023.

We were a happy family although we didn't have much. I'll always remember the small and big gestures.

One of my fondest memories is as a young family, we will gather on most evenings in the living room, each of us fetching from a bowl of tea, sharing some jokes and some life lessons.

I will very much miss those moments he always came to keep me company in my shop.

"Adu, who will sit with me now that you are no more? Who will sit with me late into the night before our grandchildren go to bed?"

You are irreplaceable, but God knows best.

We already miss you deeply.

May God keep you safe till we meet again.

Amen

Loving DAD

You showed us love
You guided our paths
A life worthy of emulation
Memories forever to be cherished
Joy that never diminished
Nor peace that waned

We are your greatest achievement
As you constantly reminded us
Above all, we strive to be like you
To follow the steps you made
That is no simple feat
But we will do our best
As such was your greatness

Tribute from children

In our hearts
You'll continue to live
With our actions

Loving DAD

We'll try to keep your legacy
We believe you can hear us
We believe you can see us
We'll continue to make you proud

In our solemn moments,
We shall reflect on your principles
Rest on dearest dad
In peace, in love and in joy
May the Almighty keep you
Till we meet again in Heaven

Beloved BROTHER

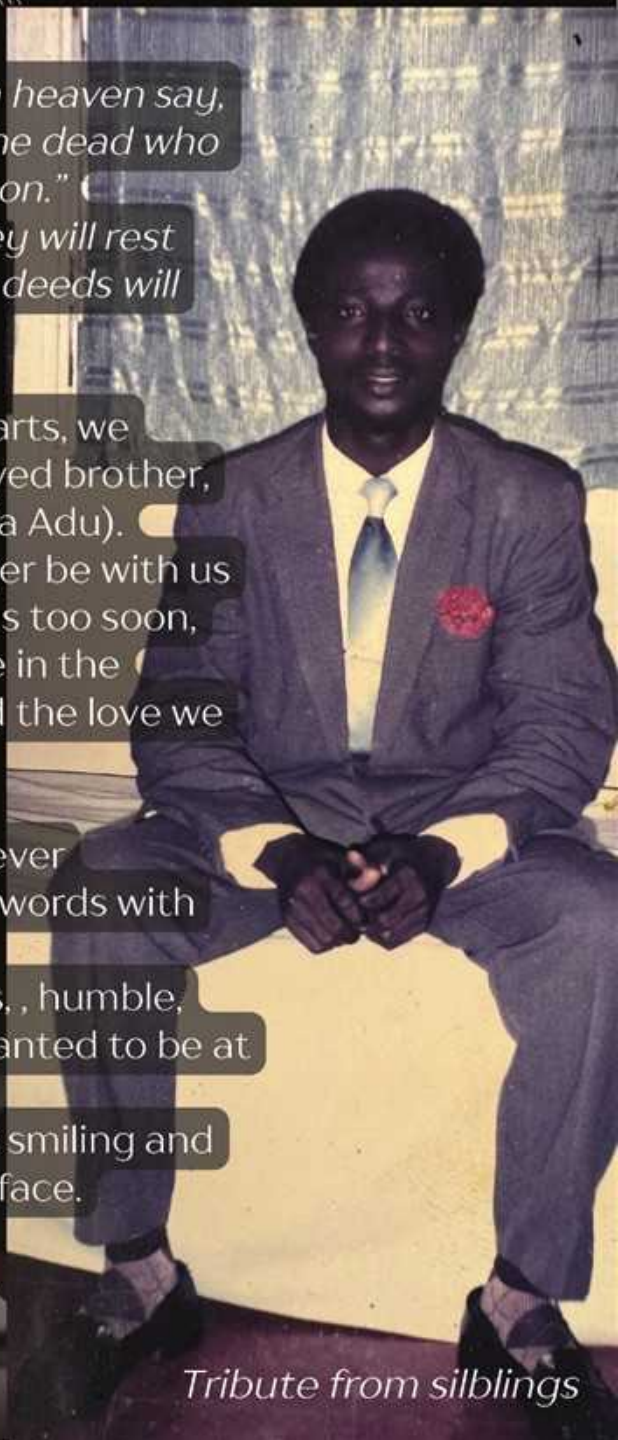

Revelation 14:13

*Then I heard a voice from heaven say,
"Write this: Blessed are the dead who
die in the Lord from now on."*

*"Yes," says the Spirit, "they will rest
from their labor, for their deeds will
follow them."*

With tears and heavy hearts, we
celebrate the life of beloved brother,
Mintah Adu-Parkoh(Wofa Adu).
Though you may no longer be with us
in body and taken from us too soon,
your spirit will forever live in the
memories we cherish and the love we
shared.

Growing up, Wofa Adu never
quarrelled or exchanged words with
any of us.
He's respectful, generous, , humble,
supportive and always wanted to be at
peace with siblings.
He would be seen always smiling and
never had a frown on his face.

Beloved BROTHER

We did so many things together, attending funerals and weddings, eating and sharing jokes.

Wofa Adu became the pillar of his siblings following the demise of our other brother two years ago. Indeed, we have lost a great man. Just two days after hearing of his illness, he shockingly passed away.

There's an adage which goes "Owuo kura adee a nkwa ntumi nnye". Death which is inevitable placed its icy hands on him. Your death is extremely painful. Wofa Adu, you will always be remembered by your smiles, love and generosity. May your soul rest in perfect peace

A true

GENTLEMAN

Today, we remember and celebrate the life of a man whose presence lit up every room he entered — our dear uncle.

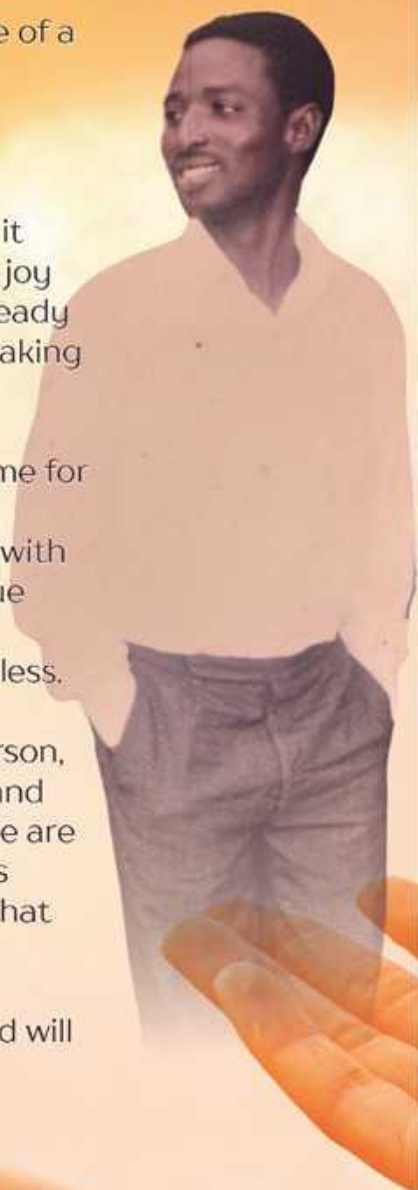

He had a smile that you couldn't help but return. Broad, genuine, and full of warmth, it reflected the kindness in his heart and the joy he carried with him. He was jovial, always ready with a kind word or a light-hearted joke, making everyone feel at ease in his company.

Uncle was the kind of person who made time for others. Whether it was family, friends, or a stranger passing by, he greeted everyone with the same grace and respect — always a true gentleman. His warmth was effortless, his laughter contagious, and his kindness, endless.

Though he may no longer be with us in person, the memories of his smile, his generosity, and his gentle spirit will stay with us forever. We are better for having known him, and he leaves behind a legacy of love, joy, and decency that we will always cherish.

Rest well, Uncle. You were deeply loved and will be dearly missed.

TEACHERS

It is with heavy hearts and deep sorrow that we pen this tribute in honour of our beloved colleague, teacher, and mentor—Mr. Adu Parkoh Mintah. His passing has left an irreplaceable void in the hearts of all who had the privilege of knowing and working with him. Mr. Mintah joined the staff of Techiman Senior High School in 1993 as a Chemistry teacher. From the very beginning, his commitment, passion, and relentless pursuit of excellence set him apart. Through sheer hard work, perseverance, and an unwavering dedication to the cause of education, he rose through the ranks to become the Head of the Science Department—a position he held with distinction.

As Head of Department, Mr. Mintah spearheaded a remarkable transformation within the department. He brought new energy and vision, leading to significant improvements in students' academic performance across the sciences. He worked tirelessly to upgrade departmental facilities, ensuring access to modern equipment and practical materials. His efforts were not only seen in physical changes but felt deeply in the morale and motivation of both staff and students.

TEACHERS

Beyond his duties within the school, Mr. Mintah served as the Coordinator of the Science Resource Centre for the entire district—a role he handled with fairness, competence, and integrity. His leadership extended far beyond the classroom walls, as he played a key part in fostering collaboration and resource-sharing across schools in the district.

An educator of exceptional caliber, Mr. Mintah also served as a seasoned examiner with WAEC, marking Integrated Science and Chemistry scripts. The insights he gained from this experience fed directly back into his teaching, and he generously shared this knowledge with colleagues and students alike. His students were the ultimate beneficiaries—consistently recording improved outcomes in national examinations.

Not one to limit learning to textbooks alone, Mr. Mintah also established a rabbit and guinea pig farm on campus. These animals were used for practical sessions in Biology, providing hands-on experience that brought lessons to life. He believed in experiential learning, and through his ingenuity, science became not only a subject to study but a world to explore.

TEACHERS

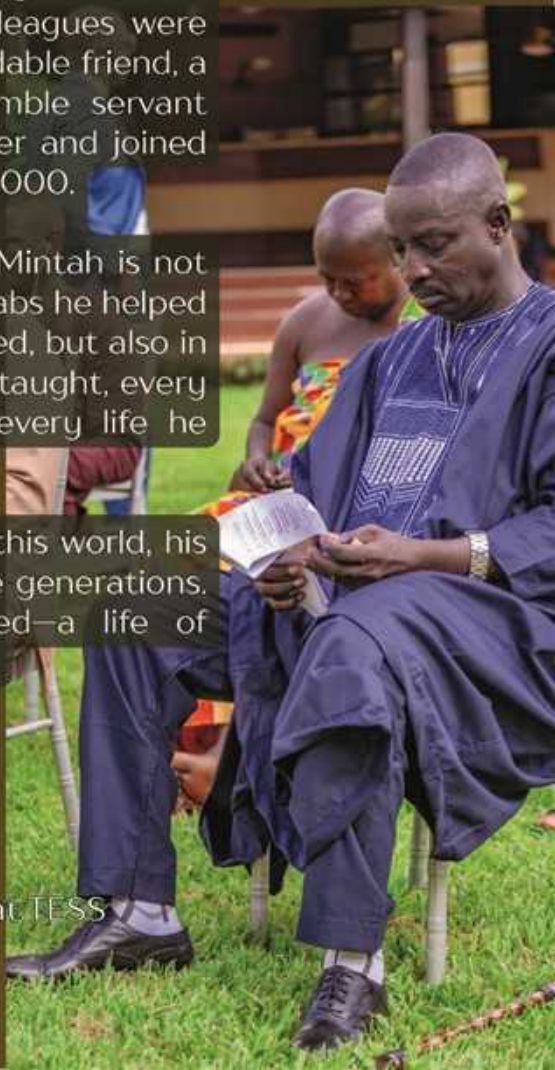

In addition to his academic leadership, Mr. Mintah was deeply committed to the welfare of his fellow staff members. He championed a spirit of camaraderie, ensuring that the concerns and needs of his colleagues were never ignored. He was a dependable friend, a thoughtful mentor, and a humble servant leader. He resigned as a teacher and joined the COCOABOARD in the year 2000.

The legacy of Mr. Adu Parkoh Mintah is not only etched in the walls of the labs he helped build or the programs he initiated, but also in the hearts of every student he taught, every colleague he supported, and every life he touched.

Though he has departed from this world, his influence will continue to shape generations. We celebrate a life well lived—a life of purpose, service, and excellence.

Farewell, dear Mr. Mintah.
May your soul find eternal rest.

Life at COCOBOD

We truly side with the Holy Bible, which says that, "To everything there is a season and a time to every purpose under heaven:

A time to be born and a time to die;

A time to weep, and a time to laugh;

A time to mourn, and a time to dance" (Ecclesiastes 3:1-8);

It is with heavy hearts and profound sadness we pay tribute to our late distinguished Deputy Quality Control Manager, Mr. Adu-Parkoh Mintah (popularly known as Onaapo). We are here today to celebrate not only a worker but also an exceptional colleague, boss, and a father.

Mr. Adu-Parkoh Mintah was a man of unwavering faith, commitment and integrity. His legacy extends beyond his professional achievements. He touched countless lives, inspiring all to live with purpose and integrity. He has been a steadfast pillar through shifting times and difficulties, producing outcomes, trust, and fostering a healthy work environment. Twenty years is a sign of not only devotion and enthusiasm but also a sign of significant accomplishment.

On Friday, May 16, 2025 news on the demise of Mr. Adu-Parkoh Mintah spread across the length and breadth of our Company. It generated a very cold atmosphere which will make that day remain as one of the murkiest days in the history of our beloved Company.

Tribute from former colleagues at QCCL-COCOBOD

Life at

COCOBOD

In his first appointment with the Board, he was posted to Asumura District in the Brong Ahafo Region where he served for four (4) years. He was later transferred from Asumura District to Nkrankwanta District in the year 2004. Management later transferred him to Konongo District in 2010 and served there for Six (6) years.

In the year 2016, Mr. Adu-Parkoh Mintah was transferred to Kumasi, Kaase Inland Port with as a Principal Quality Control Officer.

Kaase Inland Port welcomed him warmly and it was later discovered that the Port had been given a staff who was very, modest, deferential and composed.

The late Mr. Adu-Parkoh Mintah served QCC (COCOBOD) Twenty (20) years, Eleven (11) months and Twenty-Three Days of illustrious service until his retirement on February 7, 2022. Hats off to Mr. Adu-Parkoh Mintah for 20 years of passion, unwavering dedication, hard work and discipline to our team in exceptional service.

While we deeply feel the loss of Mr. Adu-Parkoh Mintah, we also celebrate the legacy he leaves behind: a legacy of loyalty, respect, and friendship. The lessons he taught us will continue to guide us, and the memories we hold will keep his spirit alive in our daily work and lives.

Death is inevitable and sometimes sudden it always leaves in its trail, the pain and grief such as the one we feel today. The reason for which we drench our clothes with tears uncontrollably.

Our prayer is that, the good Lord comforts and strengthens us all, and the entire family while granting his soul eternal rest.

REST WELL NAAPO! DAMIRIFA DUE!

Tribute from former colleagues at QCCL-COCOBOD

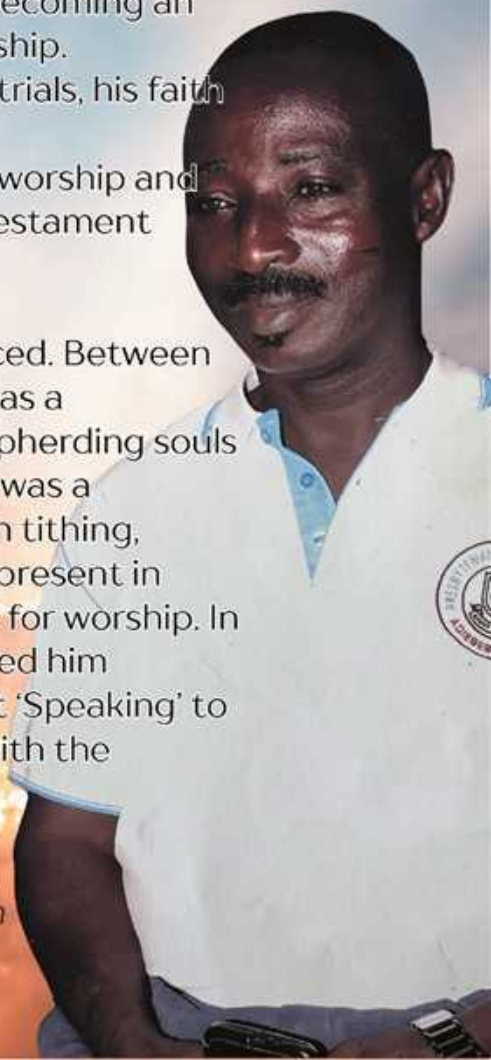

A cherished MEMBER

"I have fought the good fight, I have finished the race, I have kept the faith." (2 Timothy 4:7)
Today, we celebrate the life of a faithful servant, Mr. Adu-Parkoh Mintah, whose journey with our church family began in the early 2011. From the moment he joined, he embraced the work of God with zeal, quickly becoming an active member of the Men's Fellowship. Even when life tested him with the trials, his faith never faltered. Through pain and recovery, his determination to worship and serve God remained unshaken—a testament to his unwavering devotion.

His commitment did not go unnoticed. Between 2013 and 2017, he served diligently as a Presbyterian of our congregation, shepherding souls with humility, wisdom, and love. He was a man who led by example—faithful in tithing, steadfast in communion, and ever-present in "speaking" as he prepared his heart for worship. In fact, on the very week the Lord called him home, we all expected to see him at 'Speaking' to prepare himself for a communion with the lord as was his constant practise.

*A Heartfelt Tribute from Mount Moriah

A dedicated MEMBER

Mr. Adu-Parkoh Mintah was more than a leader; he was a friend, a counsellor, and a spiritual father to many. His door and his heart were always open to young and old alike. Whether offering a listening ear, a word of encouragement, or a prayer of faith, he made everyone feel valued and loved.

Though his passing leaves a deep void in our hearts, we do not grieve as those without hope. We find comfort in knowing that he has entered into the joy of his Master, hearing those cherished words: "Well done, good and faithful servant."

To his family, we pray for God's peace that surpasses all understanding. May you be strengthened by the legacy of faith, love, and perseverance he left behind.

Rest on, dear one. Your life was a blessing, your labour was not in vain, and your memory will forever inspire us to run the race with endurance as you did.

Till we meet again in glory. Ayekooo!!!

Amen

We would like to share our short experience with Mr Mintah Adu-Parkoh as a church member. He was indeed a true Presbyterian. He started out as a member of the main Presbyterian Church in Sunyani. Soon afterward, the Bible Study and Prayer Group of Sunyani district set up a local branch at Abesim-Dominase. He was part of the initial batch of congregants who were moved to the newly opened branch of the church. He was made the first senior presbyter of the church from 2000, because of profound interest in the work of God. One notable quality of him was his bravery, whatever he set out to do, he saw it to the end. He encouraged all other church leaders making their leadership a thing of beauty. The church was situated in a new developmental part of the city, mostly with government workers, but they wholeheartedly saw to the progress of the infantile church. With his wonderful work ethic, he remained the senior presbyter from 2000 to 2009. As a senior presbyter with a passion for music, he formed the church choir, providing them with over 20 choir robes. He also provided first set of drums and other instruments for the church.

A true WORSHIPER

The church started out in an abandoned filling station, and when it became necessary for the church to move, he encouraged us to put up a makeshift structure on a piece of land the church had already acquired.

Mr Adu-Parkoh was courageous, loves God's work, generously spent his time, money and experience on all church activities.

Mr Adu-Parkoh loved his family, his church and above all God.

He actively oversaw all church activities, ensuring that they all achieved steady growths even the infancy of the church.

He was transferred from Sunyani in 2009 but never lost contact with the church.

Mr Adu-Parkoh was an amazing counsellor indeed, a teacher and everything to the glory of God.

Peace Congregation will always remember you.

We ask that God guides your path and gives you a place in his bosom.

A gentle SOUL

"This world is not our home
We are only but passing through
Our treasures are laid up
Somewhere beyond the blue
And we cannot feel at home in ~~this world any~~
longer
If heaven is not our home
Then lord, what else will we do?"

We in the Mt. Moriah Presby Men's Fellowship have come to better understand the above quotation attributed to the legendary musician, Jim Reeves, with the passing of our beloved brother and colleague, Bro. Mintah Adu-Parkoh, and would advise that everyone prepares to depart this world with each passing second, each minute, each hour, each day, each month or each year.

The news of the demise of Bro. Mintah Adu-Parkoh on 26th May, 2025 whom member brothers as always were expecting on the following Sunday to join them dine and wine in memory of the Lord, came as a shock and a blow and went to heighten our understanding of the quote above.!

Tribute from Mt. Moriah Presby Men's Fellowship

A friendly CHARACTER

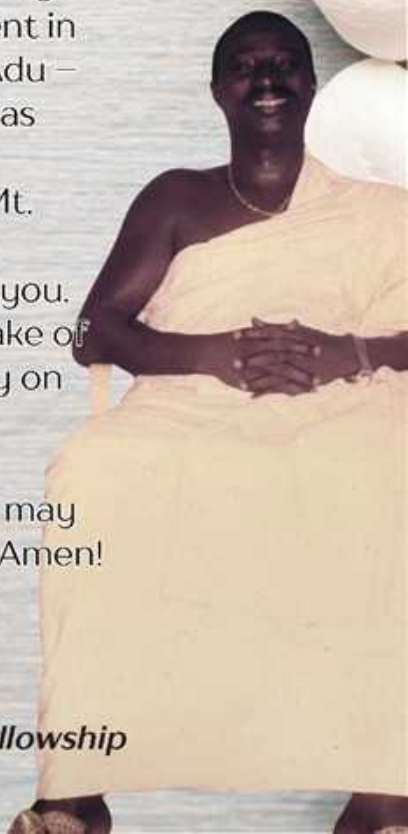

The exploits of Bro. Mintah Adu – Parkoh for the Fellowship dated from May, 2011, when he registered with the Fellowship and for all the while had been in the good books of the Fellowship, ie. financially and programme attendance even when he became physically handicapped. Bro. Adu – Parkoh was the quite type, very unassuming and a brother who would for long be remembered. His ever infectious smile would be etched in our memories forever.

The journey of Bro. Mintah Adu – Parkoh on this transit earth is actually over. Goodbye seems a sad word to say at this moment in time but we are comforted that Bro. Adu – Parkoh is with his Maker in whom he has salvation.

Bro. Mintah Adu – Parkoh, Adiebeba Mt. Moriah Presby Men's Fellowship is tremendously blessed to have known you. We will miss you terribly but for the sake of the shared dream, we promise to carry on with the visions and missions of the Fellowship.

Fare thee well, Bro. Adu – Parkoh, and may our good Lord give you eternal rest – Amen!

May God find peace for you
May God find a place in Abraham's bosom
Till we meet again
